

The BCS Diploma in Business Analysis (ISEB) On-Site Course Options

There are several possible routes to achieve the modules required for your BCS Diploma in Business Analysis. The one you choose depends on your staff's current level of experience, how intensive you want their training to be and the courses you want them to take. We will be happy to advise you on the route most suitable for you. Prices are available on request, please e-mail Beverley@ba-solutions.co.uk for a quote.

Our recommended route to training:

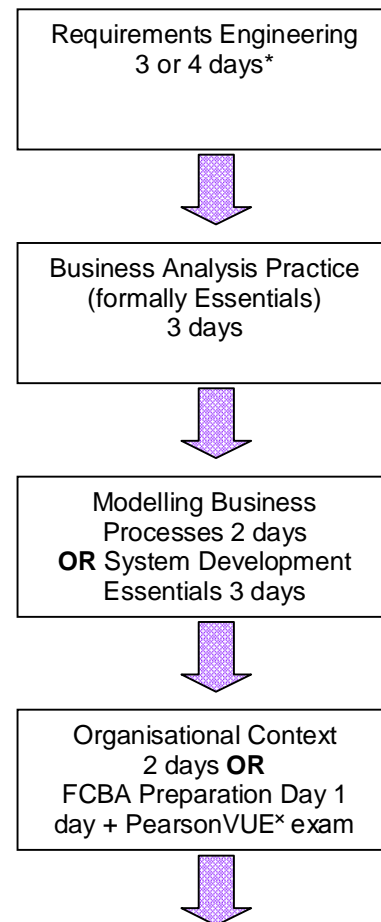

**Total days training
= 10, 11 or 12**

**Total days training
= 10**

**Total days training
= 9, 10, 11 or 12**

Or you may choose the basic modules:

Oral Exam Preparation Day (optional) followed by Oral exam directly with BCS/ISEB (Fee for Oral exam paid directly to the BCS. Please refer to the BCS for current prices)

*Courses where the duration varies are determined by the level of intensity required and previous experience of the attendees – we will be happy to advise you on this if you are unsure.
*PearsonVUE exams are computer based multiple choice exams which are taken after the course at a certified PearsonVUE test centre. These exams must be arranged, booked and paid for separately with PearsonVUE (or ISEB) directly by candidates/employers.
